

The MAB Foundation recognizes the incredible work of young people across the state during the Michigan Student Broadcast Awards. On-air, production, editing, and writing work are celebrated in over 30 categories. The contest is completely free to enter and winning entries are recognized at a special ceremony in the spring.

## Contest Information

- All entries must be submitted via the online entry system and will be judged by Michigan broadcasters.
- The judges will be asked to judge each entry based on the criteria listed in each category and how well it follows the category description. The judges will also be encouraged to give feedback on each entry. The feedback, when given, will be made available to view after the competition.
- Awards may be given for 1<sup>st</sup>, 2<sup>nd</sup> and Honorable Mention in each category. First place winners receive three points; second place winners receive two points; and Honorable Mentions receive one point for each winning entry towards Station/Program of the Year.
- Station/Program of the Year Award – The award will be presented to the following: one high school radio station/program; one high school television station/program; one college radio station/program; and one college television station/program. To win the Station/Program of the Year award, the school must receive the most cumulative points in all categories entered.
- All entries become the property of the MAB Foundation. Entries may be used by the MAB Foundation and/or category sponsors for promotional purposes.
