

Parking and Entering

Parking:

Founders offers two parking lots, located at: **241 Goodrich St. SW** and **334 Finney Ave SW**. Please bring your ticket to the event so we can validate your parking. We validate up to 10 hours of parking exclusively for these lots.

Each lot is approximately 1 block away from our Taproom Entrance, located at **235 Cesar E. Chavez Ave SW, Grand Rapids, MI 40503**.

Handicap parking is provided by the city and can be found in front of our Taproom entrance.

Street parking is also bountiful around the building, but please follow posted signage.

Entering:

The Centennial Room is **accessed via an elevator** which is located within our **Company Store**.

We'll have staff posted at the elevator during the start of the event, as a keycard is required for entry.

Please check in with the clerks in the Company Store if no one is posted at the elevator.

(If you require additional assistance to enter, or want to confirm ADA accessibility, please call our office at 616-325-1061 or email CentennialRoom@FoundersBrewing.com.)
